

John Jay College of Criminal Justice Sports Medicine Department

Dear Visiting Athletic Trainer,

On behalf of the Sports Medicine Department, I would like to welcome you to John Jay College of Criminal Justice. If there is anything I can do to accommodate your team during their visit, please do not hesitate to contact me.

The athletic training room is located in room 304 of the "T" building, and our hours of operation are from 10 am to 6 pm. Normal office hours may vary on days when home events are scheduled. In the event your team needs access to the training room we have the following equipment available for all events scheduled in the "T" building: treatment and taping tables, ice machine, hydrocollator packs, ultra sound unit, whirlpools and an electrical stimulation unit. **If any of your student athletes need modality treatment other than ice or heat packs, please send instructions for care.**

I will be present at all home events with the exception of a few where I have double coverage days, however I will have the event staffed with a contract trainer. Events scheduled in the "T" building will have the bench area and locker room equipped with water, cups, and ice. All events scheduled off site will have water, cups, ice and emergency equipment on hand.

Good luck to you and your teams this upcoming year!

Sincerely,

A handwritten signature in black ink that reads 'Terri Acosta'.
